

## Office Assistance

How to get assistance with Federal agencies and issues from Congressman Davis' office:

Congressman Davis' office can assist constituents of the 7th Congressional District who are experiencing difficulties with federal agencies. Please understand that the Congressman's office cannot direct the agency to make a favorable decision. However, a Congressional office can often facilitate a fair and more timely resolution.

If you live in the 7th Congressional District you may request help from Congressman Davis' office by clicking

here , printing out the form and filling out all of the information requested on the form. Please give a complete description of your concerns and provide as much information as possible. Sign the form and return it to the address on the form.

Congressman Davis' office can help:

- Solve problems with Federal Agencies and Casework
- Apply for Nomination to a Service Academy
- Order a U.S. Flag Flown Over the Capitol
- Request Tickets for a Capitol or White House Tour
